POINTS DISCUSSED WITH SENATOR McCARTHY

1. Senator McCarthy assures us he does not intend to pursue conflict-of-interest questions.
2. He does plan to have questions asked on the following:
 - a. Organization--separation of intelligence gathering from correlation, evaluation, and reporting processes.
 - b. Joint Committee.
 - c. Juridical and constitutional right of CIA to carry out covert activities directed towards the imposition of a particular line of political thought on a foreign country.
 - d. The controversy with the Cal Tech scientists.
 - e. The position of Mr. McCone as Chairman of the Atomic Energy Commission on testing at the time of the Geneva disarmament conferences and in connection with reported "leaks" which were investigated at that time.
